Base: plated brass, copper or nickel or lacquered metal

PRODUCT OPTIONS

Marble table top: as it is a natural product, variations in tone, colour, granularity and pattern may occur. Because of this, the sample may not exactly match a slab or finished product.

Base: it's handmade with plated brass, copper or nickel. Any small stain or roughness is a feature of the product, not a flaw.

As this is a handmade product, there could be a small gap between the top and the base.

Product sizes may vary up to 2 cm.
