This year in Maison et Objet, Mambo Unlimited Ideas is releasing a new Louise collection, the effortless modern classic chairs, all done in Metal and upholstery, which can be combined in an endless array of colours. We are also presenting the Choux armchair, Mona Center and Side Tables, the new Charlie armchair, and new Kai dinner table.

louise

Intended for modern working, dining, and living, the Louise chair combines a clean, steel structure, perforated steel back and upholstery resulting in an effortless modern classic that is perfectly proportioned.

The Louise chairs can evoke such different moods and ambiances just by combining the light lacquered metal frame in any colour from our large selection of lacquered colours, together with the seat which is available in a selection of curated fabrics or leathers from our collection.
