

## FCB announces new Partners

FCB Advogados is pleased to announce the promotion of three new Partners, Sofia Ferreira Enriquez, António Cid, and Luís Falcão Ramos.

Sofia Ferreira Enriquez joined FCB in 2020 to work on the Dispute Resolution Department and coordinate the Insurance and the Transportation Law Departments. With 20 years of experience, she has developed her practice in the before mentioned areas, also having vast experience in contracts, international trade, regulation, and compliance.

António Cid has over ten years of experience and has been working in FCB's Corporate, Commercial and M&A and Banking and Capital Markets Departments since 2017, advising and assisting clients in cross-border deals and projects, and on their ongoing commercial activities and financing requirements, in Portugal and several African jurisdictions.

Luís Falcão Ramos joined FCB's Dispute Resolution Department in 2010, focusing his activity on civil, commercial, and criminal litigation. Luís has also significant experience in civil and commercial arbitrations as well as in restructuring and insolvency proceedings.

To Gonçalo da Cunha, Co-Managing Partner at FCB Advogados, "these promotions are the recognition of the merit, dedication, and commitment that each of these lawyers has given to the Firm. They also reflect FCB's growth strategy and the investment we make in our team."
