Born in Portugal, Dooq is a design company dedicated to celebrate the luxury of living. Creating designs that stimulate the senses, whose conceptual approach is inspired on the unexpected meeting of opposite things.

Our studio focuses on an extensive research of details together with a vast iconographic research around art and design, creating an ever-evolving language that emphasises first the small things.

We seek to find balance in things that are contrasting, creating pieces where feminine meets masculine, small meets large, soft meets solid and past meets the present allowing the new to blossom. Sensual materials like velvet, trimmings, straw and glass are combined with harder materials such as copper, marble, brass and wood to achieve the duality in our studio's distinctive pieces.

Using the technological expertise of a country leader in craftsmanship in combination with the creativity of great designers, helps creating pieces with an uncensored aesthetic where each piece has its own reason of existing.

Marking a milestone for Dooq Details, the Carmel Modular Couch introduces the brand's first-ever modular sofa. Composed of 12 versatile modules, Carmel allows endless configurations, seamlessly adapting to any interior. A year of research and development culminated in this design, which blends bold aesthetics with unparalleled comfort. This dynamic sofa transforms seating into a creative and personal experience, offering a new standard for versatility and style in modern living.

A harmonious exploration of contrasts, the On the Rocks table bridges the organic and the futuristic. With a hand-hammered travertine top that exudes raw, natural beauty and a sleek nickel base that reflects modern elegance, this sculptural table redefines sophistication. Designed as a piece to be admired and cherished, it invites a dialogue between the tactile and the refined, merging timeless craftsmanship with avant-garde artistry.

Highly organic, the Majorelle collection by Margarida Pereira evokes flowers of an imaginary garden. Informed by textures found in nature, the collection features a dappled surface made from resin soaked foam.

Introducing Cindy, our latest addition embodying the essence of the new wave movement. With its sleek design and fluid lines, Cindy stands as a testament to artistic innovation.

Its unique, fully upholstered form beckons admiration, offering not just a piece of furniture but a statement piece. Crafted to evoke a sense of fluidity and harmony, Cindy represents a fusion of artistry and functionality.

This fully handmade piece features a hexagonal base clad in terracotta tiles arranged in a harmonious blend of three unique models. Anchored by a round tabletop, the true focal point lies in the sculptural table feet, making the Milano table a bold and elegant centerpiece for any space.

Nusa is our latest table collection, where Southeast Asian inspiration meets modern craftsmanship.

Each table intricately weaves an ancient marqueterie technique, seamlessly blending two distinctive woods.

Immerse your space in the rich cultural tapestry and contemporary elegance of Nusa, where tradition and modernity converge harmoniously.

Aimi, our avant-garde chair and armchair designed to redefine elegance and comfort.

Visually light yet exceptionally comfortable, Aimi boasts a remarkable design that effortlessly blends aesthetics with functionality.

Solid and concrete like in appearance, Panorama line is an ode to monumental proportions and impacting visual lines impossible to overlook in a voyage amongst Eastern Europe's architectural legacy. Still the strong lines are attenuated by softly gathered upholstery that will provide you maximum comfort and stability with a swivel base.

Created by the perfect combination of color, energy and shape, Souk mirrors reflect the influences of overwhelming and visually fascinating Souk markets in northern Africa with its vibrant fringes and earthy colors resembling typical macramé techniques.

Marlon by Pietro Franceschini. When pure geometry meets soft curves, something sculptural and sensual comes out. A fine dialogue between oversized legs and clean lines takes place in this piece upholstered in mohair velvet.

Drawing from the essence of organic modernism of the 1970s, the Colin armchair is a sanctuary of comfort and elegance. Its sculptural design features soft, rounded solid wood legs that pair seamlessly with plush upholstery, creating a balance of form and function. Colin invites moments of pause, whether in solitude or togetherness, and is a testament to the enduring allure of natural shapes and materials.
