

ON THE ROCKS

center table

154 x 108 x 30 cm
product sizes may vary up to 2 cm

package
160 x 113 x 35 cm

materials

marble, natural oak, satin nickel

// as pictured

top - travertine marble

base - satin nickel base

One of the key characteristics of natural travertine is the holes and pits gracing the surface and inside of the stone. These random holes present in natural travertine are considered normal characteristics of this stone and therefore not defects.
