

STICK & STONE

CENTER TABLE

As a way to attain perfection, one must balance two opposite parts that complement each other and are mutually exclusive, meaning one cannot sustain without the other. This concept is behind Stick and Stone Center Tables, by combining two very different materials, the hard and raw travertine with the soft and warm oak, creating a visual dichotomy that projects perfect balance.

Upper table	Natural Oak or Natural Walnut
Lower table	Travertine*
Package dimensions	900 x 1770 x 550 mm
Product Weight	240 Kg no package / 252 Kg with package

// as pictured

Upper table - Natural Oak

Lower table - Natural Travertine

* One of the key characteristics of natural travertine is the holes and pits gracing the surface and inside of the stone. These random holes present in natural travertine are considered normal characteristics of this stone and therefore not defects.
