Utu Soulful Lighting unveils the new lighting design -Frame

Frame family

Round shapes, rattan mesh and a terrazzo detail. When switched off Frame resembles a modern, elegant sculpture and when on it produces a magical luminous atmosphere.

Frame lamps can transform a room into one of extraordinary self-expression. They make a statement in any space, whether it's one of tradition and elegance or unexpected boldness.

Frame stands out for its strong shapes, with an opal glass globe kindly wrapped by a smooth, curved structure.
