## TERMS AND CONDITIONS

Any order implies the acceptance of Mambo Factory, Lda. – brands Mambo Unlimited Ideas, Utu and Theia – terms and conditions as described below.

1. The current price list replaces previous versions;
2. Each price indicated refers to one unit;
3. Prices indicated do not include VAT;
4. Packaging is included in the price. Upon request, special packaging may be developed under extra cost;
5. Prices are ex-works, transport and insurance costs are not included;
6. Mambo Factory may arrange the transport of the goods and will conduct its' best efforts so that it is carried out as swiftly as possible, however Mambo Factory cannot guarantee transport times as the transport will be assured by a forwarder external to our company, and cannot be held responsible for any transport delay;
7. When transport is arranged by Mambo Factory with it's usual forwarder, transport will be exclusively door to door, meaning that the transporter will unload the goods at the client's address street door, at street level (will not enter the building or climb stairs). Access to heavy duty truck must be assured or transport cost surcharges will be charged to the client.
8. For transports with our forwarder, correct delivery address should be indicated upon the confirmation of the order. Changes to the address after goods have been shipped will have transport cost surcharge, that will be charged to the client.
9. Client may choose to organise the transport of the ordered goods. In this case, Mambo Factory, Lda.'s responsibility is limited to the preparation of the goods to be collected and ends at the moment of goods pick up at our warehouse. Mambo Factory will be free of any charges or responsibility over events that might occur during transportation. In this case all management of the transport should be held by the client.
10. Condition of goods must be verified upon arrival. Any claim must be submitted with photographic evidence of the damages by email to [info@mambofactory.pt](mailto:info@mambofactory.pt), within 48h after goods have been received . If Mambo Factory has arranged the transport and if the goods or the packages show any damage, the description of such damage must be written on the transporter delivery note. If the deliverer does not wait for the inspection of goods, this should also be clearly noted in the delivery note. This note on the delivery document is critical, without it it will not be possible to activate insurance coverage and the claim will be therefore refused. Any transportation of the goods from destination to a second location will forfeit any transportation damage claim. Mambo Factory will not be liable for any damages that might occur from pick up, handling and / or installation by individuals acting on behalf of the client / receiver.
11. After verification of the damage and its' causes, and if there is evidence that the responsible is the transporter, damaged pieces will be either replaced or repaired, as per decision of our technical department.
12. Mambo Factory products are handmade on by one, therefore there may be some slight differences from piece to piece, that are not defects but normal features of the products.

## WARRANTY POLICY

1. Mambo Factory provides a limited warranty of 2 years for its products, to the original purchaser, against defects in material and workmanship. This warranty does not cover second purchasers of the products nor distressed products by display use or display samples. Colour and finishing variations are natural in woods and leathers and are not defects but characteristics; slight colour variations on fabrics and lacquered metal are also possible and are not defects. These situations do not apply to warranty.

2. This warranty applies under conditions of normal use and excludes damage caused by misuse, or those resulting from fading caused by exposure to excess light (pieces should be protected of direct sunlight), soiling, improper cleaning, abnormal use or accident.
3. Defective goods must be returned to our warehouse for analysis and should be packed effectively. Any costs for packing and shipping are not covered under this warranty. Any damage resulting from negligent packing or transport back to our warehouse will not be covered by this warranty.
4. To obtain proper service under this warranty, the original purchase receipt must be presented.
