CREATIVE TILES

mar di by STUDIOPEPE.

Mar Di is a collection designed by Studio Pepe for Theia tiles, inspired by the motion of the sea, its waves, with a broader meaning to the theme of travel and exploration.
A formal investigation that culminates with four models in which the surfaces interact differently with the light that hits them.

About the brand

A continuously growing collection of Portuguese handmade tiles, offering endless possibilities for meaningful and contemporary surfaces.

Our tiles are designed both by our studio and in collaboration with renowned designers. Each tile is crafted out of earthenware, a simple and eco-friendly material. Theia’s tiles are handmade products, where the earthenware is pressed, fired and painted, using ancient techniques resulting in a truly unique product.
