Introduction

The wonderful range of Arty features a selection of paintings by Vincent Van Gogh and Hokusai incorporated in everyday items, adding a touch of colour to your daily life.

Arty displays Van Gogh's powerful use of colour and dramatic brush strokes through four of his most fascinating paintings: 'Starry Night', 'Sunflowers', 'Irises' and 'Café Terrace at Night.' Van Gogh painted whatever subjects were available to him – often fresh flowers from the market or outdoor scenes – bringing out the beauty in them through his unique style. Arty is inspired by the artist's transformation of ordinary things into captivating scenes, bringing enchantment to your day through mugs, tote bags, compact mirrors, coasters and more.

The Arty range also includes Hokusai's masterpiece the Fuji Wave, a design in hues of blue featured in practical giftware items.
